“ Judy, from Peg and me our sincerest condolences on John's passing. To me, John and his sister Vivian who both worked for my dad at Triplett's Milling Company, were like extended family. John--Johnny as I knew him then--would always help "keep me straight" when I came "down to the mill" from our Sperryville Pike house. I will always remember him as gracious and giving. He accomplished a lot and I know you will miss him. Just know he forever affected my life as well. May you be well and John rest now in peace.

“ met John when we first came to Culpeper in 1972 and went to Tripplett's Mill to look at the baby chicks that had come in. A fine, gentle man showed my little girls how to hold a chick and really made them feel welcome. Whenever you saw him somewhere he remembered your name and some tidbit that tied a visit to the Mill or Co-Op. Rest in Peace.

“ My husband Jack and John Gore were members of the local Jaycees for years. They had memorable times together working on community projects and just being friends. John loved his community and his Church and was a friend to many. I'm grateful for the memories of our friend John.

“ Judy,  
So sorry of John's passing. So many fond memories of living next door in John's parents house. John was such a sweet, generous, loving man. It was an honor being his friend for so many years. Wayne and I were just talking about him last week end.

John is with his loved ones now and his Lord!

May God give you peace through this difficult time. Much love and prayers to you
