“ I can't believe I'm just finding out. Joe, you were an amazing friend and wonderful person. I remember those snow days at the Hilton and we hung out and drank beer late into the night talking and laughing. I've missed you for the last couple of years. Now I'm gonna miss you even longer.

“ Today was hard Joe, very. Seeing everyone gathered to say goodbye to you. I didn't speak, cause I knew I'd lose it. You've always known how I felt about you. Your like my brother, from another mother. I miss you dearly. I see our conversations outside the food bank during our smoke breaks. It'll never be the same. Your not there either us but in spirt you are. Watch over us, all of is, your parents, your brother and especially Pop. Boy does she miss you, terribly. Keep smiling down us on Joey. Love and miss you!!

“ Joe, I miss you bunches. It's me your home and native Canadian Friend. I never wanted someone to boo me as much as I'd love to hear it from you and see that impish grin on your face as you do it. I loved you Joe.

“ I miss you every second of every day. I miss everything about you, the ups, the downs, and the in-betweens. I miss you when I laugh, I miss you when I cry, and I miss you when I'm doing nothing at all. I can't say I miss you saying my name, since you rarely actually said it, but what I wouldn't do to hear Pop just one more time! Joey, I love you more!

“ Joe. I miss you dearly, each and everyday. I miss your joking, your come backs. You always made everyone smile, daily. I wish you knew how many and how much people loved you. You knew I'd do anything, in my power to help you, no matter what it was, I ALWAYS, had your back. Things will never be the same, I feel like I lost a piece of myself also. Your famous saying, Hell Yeah best summer vacation ever, what I'd do to hear that again. Rest easy brother. Your not battling anymore!!!
