“ To Mrs. Karen's family! Hello I'm James Hull I worked with Mrs. Karen and the little I worked with her and seen around the work place she always had a smile on her and very nice Lady, friend, mother, and co-worker. She never looked down or sad she always seem to be in the best of moods all the time. What I took from that was she's a good person with a big heart. Her kindness shined off her when you was in her presence. My heart and prayers go out to the Young family. I'm so sorry for your lost but she is the Lord's blessing because she's truly and Angel. May the Lord bless your family with comfort and understanding. Mrs. Karen R.I.P with your Kind Smile upon your face! With deepest sympathy James Hull!

“ A great woman taken too early. I met Karen when she came to work in my section. I got to know her really well. I loved listening to her stories about her family. We shared the same taste in style and crafting. We spent lots of time talking about what we were making next. She loved to shop, that was her passion. I loved hearing her stories about how much she saved on her shopping trips. I will miss her so much.

Bless her family for their loss.

I miss you Karen.

“ You are gonna be so missed Karen. I have known u for many many years, from youngsters at church up till adulthood, and working together at FMS and Geico. Throughout our lives, we may have many changes, but some things never changed, and that was your beautiful smile and your beautiful sweet heart. You always had the best hair, and dressed so so nice in anything you wore. You never aged, never a wrinkle on your face and i told u that all the time. Of course you disagreed, but girlie your skin was flawless. Like i said, you never aged! Im gonna miss you for sure, as well as many other people, but i will always treasure our good times, and good talks, and laughs we had throughout the years, I send the biggest prayers to your mom, husband daughter and your brother, Your loss is devastating to them, without a doubt. Rest in peace until we all meet again some day, my sweet lifelong friend.

“ Many years have come and gone and our lives led us in different directions but one thing I will never forget is the times we use to have growing up from the sleepovers, to skateland nights, hanging out together and all the other memories. I seen you from time to time and you were always the same the beautiful smile and heart of gold you had I will never forget. I love you Karen and will be praying for your husband, daughter, mom and brother. I am so sorry your life was taken away at such a young age. I know I will see you again one day.
