Nettie Williams Kay, 77, of Fredericksburg, passed away on Sunday, February 7, 2021 at her home.

Nettie retired as a nurse from Mary Washington Hospital after 39 years of dedicated service.

She was preceded in death by her husband, Claude Lee Kay, and a daughter, Patricia Kay Pratt.

Nettie is survived by her sister, Mildred W. Fauntleroy; two daughters, Belinda Kay Walker, and her husband, Rudy, and Stephanie Kay Herndon, and her husband, Victor; a son, Richard T. Kay; six grandchildren, two great-grandchildren, and a host of nieces, nephews and other loving extended family.

Services will be held at a later date.

Comments

“ I worked with “Miss Nettie” on the postpartum unit for many years. She was an adopted mom for us younger/new nurses. I was an RN and she was an LPN, but regardless of the letters after our names, everyone knew who to go to with a question. She even took care of me when I had both of my babies. Nettie was one of the most respectable, skilled, professional nurses I have ever worked with. The nursing community has lost a major influence with her passing. My thoughts and prayers are with her family.

“ My deepest condolences to Nettie's family. She welcomed me as the new nurse manager at MWH and she made my time there a pleasure and full of joy. She was an incredible nurse who welcomed the newbies I hired and gave them an incredible start as great nurses. I will treasure her memory.

“ Stephanie and Belinda and family, I am so saddened to hear of your mom's passing. I spoke with her in January and we had such a great time talking. I have such fond memories of working with her and she was such a great nurse, person and friend. I have some wonderful photos of her throughout the years and will treasure them. Sending prayers for comfort during this time of heartache with your loss of someone so dear. I will miss her dearly and will always remember her laugh and how she spoke her mind, especially with the doctors and other nurses we worked with. She was stern but in the nicest way.
