“ Pat, you did it again. You couldn't wait you're turn. You had to step out of line. You were supposed to go last, not first. See what happens when you'd don't listen. Now you're in big trouble because you've broken everyone's heart. Thanks for all the memories. We were looking forward to many more. Thanks for all your help and being there when we needed you. We miss you. Try not and break any more rules.:) Love, Steve

“ Cheryl, it broke my heart when I heard about Pat's passing. I'm sorry I never got to meet him, but I know all our conversations, I know he was something special. I know he loved you, his family, all the dogs you guys have had, and even a little squirrel that fell from a tree. That's the wonderful guy you married. Don't you worry about Pat, he has earned his wings.

“ Mike, Sharon, & Steve,
We are so sorry to hear of Pat's passing.
Our thoughts & prayers are with you.
I remember one Thanksgiving and we were all at your house. Your mom & Grammy had a table full of food. We all straggled in looking at all of the delicious food. Pat look around sadly and said " can I have a baloney sandwich with ketchup" well that got him a big resounding absolutely not by your mom and Grammy. Pat then was not happy about the whole thanksgiving dinner that evening.
We love y'all

“ I don't even know how to begin this.

I didn't know Patrick or his family, but I was at the emergency room the other night at Spotsylvania for an emergency of my own and witnessed his passing and the two family members that were there and everything that had happened.

It really affected me, and I wished so much I could have gone out into the hallway and told you both how sorry I was and just hug you.

I'm truly so, so very sorry for your loss. I'm also so sorry for commenting here. I know

this is for family members and friends, but I just needed you to know how sorry I was and that I wished so much that night I could have taken the pain away and made everything better. I just wanted you to know a stranger's heart goes out to you all. I think I'll forever remember that night, and will forever think of you both and Patrick.
