“ Susan and I worked at PetSmart. She was the most kind, helpful, and caring person there. We shared laughs and stories. I will always remember her fondly. Susan, you're the best, now and always and will be missed.

“ Sue was my son's day care teacher. She took care of him from the time he was 6 weeks old. Most days he would be with his "Suey" when I would go pick him up. She was such a blessing. Even after she moved to Va. She would come to our home to see her Ryan. Sue was a wonderful and caring person. My heart goes out to her family. Hugs and prayers. Kathy Brown

“ I'm so sorry to hear of Susan's passing. During junior high and high school Susan and I spent much time together. I have many happy memories of being at her house with her sweet family and at their camp at Audra State Park (I think that's the park). They had a nice cabin, and sitting around the campfire and walking the swinging bridge are precious memories). I will miss Susan and will be praying for the family she loved so much.
