“ Carolyn, Craig, Diana and Family:
Absent from sight is present with the Lord! May each of you find comfort and strength from that fact. Warren was always kind and jovial when Dad and I would see him. He was the kind of friend one appreciated. God bless each of you in the days and months ahead.

“ Carolyn and family,

Our hearts are saddened to learn of Warren's passing. I worked along side of Warren for quite some time and I couldn't have asked for a better working companion. His smile was infectious and he was very witty to boot. He certainly will be missed . We often shared personal stories concerning mutual acquaintances and other career related tales.

May God help fill the void left by Warren's passing.

“ Darrell and I are both very sad to hear about the passing of Warren! He was my husbands boss when Verizon was then C & P Telephone Company many years ago. My husband thought the world of him and kept in touch for many years after he left the telephone company to go into business with my dad. Our thoughts and prayers are with Carolyn and all of the family!

“ What memory to share, when you have so many. Warren had the most terrific smile, most would say he was a gentleman, kind and giving especially of his time at Reformation Lutheran Church. He also had a stubborn streak, and I met it head on! I had been attending the plants at the church and there was a rubber tree that was losing it's life in “Warren’s Office.” I removed the tree and repotted it in a much larger pot. I though it was going back into Warren’s Office, but he stop me cold, telling me “that plant was not coming back into this office,” he wanted a corner bookcase there. So the plant went elsewhere, and we just didn’t get around to the bookcase. I learned much from Warren and he was always happy to share his knowledge of things. Heaven has another angel.
